JOIN US FOR A WEEK OF UNFORGETTABLE FISHING AND ROD-BENDING EXCITEMENT!

When you come to Ford Creek Dude Ranch you can expect huge, hard fighting wild Montana trout – just what every angler envisions when planning a fly fishing expedition on blue ribbon freestone streams. The solitude of having a seldom fished stream to yourself is every angler's dream. Fly-fishermen catch Rainbow, Cutthroat, Brown and Brook Trout in Ford Creek right outside of your cabin. Plentiful streams, rivers and lakes are just a short drive or ride from the Ranch.

Ford Creek Dude Ranch is the premier Rocky Mountain destination for fly-fishermen who have already fished all of the "big name waters with big crowds". We specialize in large, healthy, hard-fighting wild trout on remotely located freestone streams and stillwater lakes. Look no further for that secluded and uncrowded place you've only dreamed about. We have it waiting for you.

We are your one stop lodge for an incredible mixed bag of fully guided angling adventures and expeditions. Experience wade fishing the crystal clear streams of the Bob Marshall and Scapegoat Wilderness or horseback deep into the Wilderness for West Slope "Cutts" on the beautiful South Fork of the Flathead River at our deluxe tent camp.

Also available to guests are drift boat trips on the Missouri River for great dry fly action and raft trips on beautiful and under-fished rivers for large browns and rainbows.

Tell us the kind of fishing you prefer and we will help you design an unforgettable vacation with great variety, plenty of solitude and terrific fishing.

Every week long trip we offer includes round trip transportation from Great Falls International Airport to Ford Creek Dude Ranch and back, one Professional Guide for each small group of anglers, 3 meals daily, accommodations at the Ranch or tent camps, an extensive lineup of support equipment, rods, terminal tackle, and all flies.
