Stunning lakefront homesite on the eastern shore of Flathead Lake. Located 15 minutes south of Bigfork, this gently sloping 3 acre homesite has a premium bench to build on right above the 165 feet of pristine lakefront. The lake views are panoramic & sunsets are always the best from this location. You will appreciate the serene sounds of seasonal Waterfall Creek rambling along the northern boundary as it flows to the lake. A new dock is installed & ready for your boat. The property is taxed agriculturally, as there is a producing Flathead cherry orchard on the property benefitted by two water rights awarded by DNRC. There is a rustic 320 sq ft caretaker's cabin & a 20x22 detached garage to store your toys. The seller has made a deposit to reserve an upcoming spot on a well drillers list & this right will transfer to the buyer.
