

15993 Maries Road 521, Maries County, Missouri, 571.00 Acres

\$1,827,200

Rare large tract, Triple E Farms is comprised of 571 +/- contiguous acres in Maries County, Mo just South of Vichy. The Spring Fed Lake is crystal clear and the overflow compliments the second, larger, spring as they merge and run down to Mill Creek. Overlooking the valley is the old farm house sitting on one of several excellent build sites. Electric and well are located there so you can rehab the house into a rustic hunting cabin or build your dream home right up the ridge. The 40 x 80 machine shed has a cattle chute and lane under roof and plenty of extra room for machinery or hay storage. The vast majority of the land is sprawling hardwood timber with approximately 105 acres of primarily fescue open ground. The deep timber, creek bottom pitch points, ample water sources and abundant wildlife make this a great hunting property. The farm has great access off Hwy 63 and runs west all the way to CR 521 where it has two additional driveways offering multiple access points depending of the prevailing wind of that hunt.
